

# MISSION STATEMENT

**Our mission is to provide a nurturing safe haven where our youth can develop into confident, responsible and productive citizens for Fauquier County.**

Boys and Girls Clubs of America has nationally recognized programs that address the most contemporary issues of the day concerning youth. Their programs teach young people the skills they need to succeed in life. Some of these are programs in education, health, environment, arts, career development, alcohol, drug prevention, pregnancy, gang prevention and athletics. Our two Club sites in Fauquier, one in Warrenton and the other in Bealeton, are working to help youth of all backgrounds, with our special emphasis placed on vulnerable youth.

# FUTURE HOME

169 Keith Street, Warrenton, Virginia

## Open More Days

Since the Club is operated out of the school system, it is closed on the days when it is most needed. In the new building, the Club will be open after school, on days when schools are closed, weekends, certain holidays and summers.

## Large Capacity

Currently the Boys and Girls Club of Fauquier host an average of 120 members each day and over 1500 youth served over the last 10 years with many children on the waiting list. The new building will easily double the daily membership and eliminate the waiting list.

## More Trained Staff

The increased programming and endowment fund will provide the Club with more qualified trained staff. Our staff members are caring adult role models and are at the core of what makes the Boys and Girls Club successful.

## More Programs

The nationally recognized programs are essential to the success of the Club. The increased space allows the Club to run more quality programs.

## Teen Activity Room

The new building will have a room specifically designed and dedicated to teenagers. A designated room for our teenagers will bring more youth than ever before and help the age group most in need.
