

GREAT FUTURES START **HERE.**

**BOYS & GIRLS CLUBS
OF FAUQUIER**

Dear Parents and Guardians,

We are looking forward to seeing you and your children on August 23, 2021 when we begin after school programming. In an abundance of caution, the Boys & Girls Clubs of Fauquier is requiring all Club staff and members to wear masks indoors, regardless of vaccination status. This decision has been made pursuant to the Public Health Order issued by the State Health Commissioner on August 12, 2021, requiring all individuals aged two and older to wear masks when indoors at public and private K-12 schools.

In addition, while outdoor settings are generally safer than indoors, Virginia Department of Health (VDH) recommends those who are not fully vaccinated wear a mask in crowded outdoor settings or during outdoor activities that involve sustained close contact with other people. Again, in an abundance of caution, the Boys & Girls Clubs of Fauquier will require masks during sports activities.

We continue to monitor all updates from the Centers of Disease Control and Prevention (CDC) and The Virginia Department of Health (VDH) and will provide additional guidance to our community stakeholders as we learn more. As always, we place the safety of our youth and staff at the highest level.
